

**October 2023**

## **Clough Nursery Unit Parents' Letter**

Dear Parent,

We are glad to see how well your children have settled into Nursery and have adapted to the new Nursery routines.

A big thank-you to you all for your support for the MacMillan Coffee Morning. A tremendous sum has been raised so far by the whole school for this great cause.

The days are now getting shorter and temperatures are falling. So we turn our thoughts in Nursery to the theme of **"Autumn"**. Our colours for the month will be **orange** and **brown** and our shape is the **Square**. Please encourage your child to look for orange items in their environment and they can bring them in for our colour table if they wish.

### **Please note the following dates for your information:**

1. **Wednesday 4<sup>th</sup> October:** Visit from the local Vet to talk to us about caring for animals. Your child can bring in a small soft animal on this day.
2. **Monday 9<sup>th</sup> October:** Orange Day. On this day all the children are invited to wear something orange ( if you can find something easily). All the activities that day will centre round the colour **orange**.
3. **Tuesday 10<sup>th</sup> October & Wednesday 25<sup>th</sup> October:** Gillian from Jo Jingles will be with us again with songs and rhymes for us to enjoy.
4. **Wednesday 11<sup>th</sup> October:** Visit from Mr Hutchinson for stories and music.
5. **Friday 13<sup>th</sup> October:** Visit from Hullabaloo Theatre Company to perform "Happy Harvest".
6. **Friday 20<sup>th</sup> October:** Trip to Valdez Gymnastics. Please drop your child off at the gym at 10.00am on that morning. Pick up will be at 11:05.
7. **Monday 23<sup>rd</sup>, Tuesday 24<sup>th</sup> & Wednesday 25<sup>th</sup> October:** Parent Interviews. Please fill in a suitable time on the form provided at the entrance of the Nursery. Interviews will only last 10 minutes.

Please note that the Half-term holidays take place from Monday 30<sup>th</sup> October to Friday 3<sup>rd</sup> November.

Please speak to any of us if you have any questions or uncertainties about the above.

Thank you,

A.Marrs
