

Hey, diddle diddle.

Hey, diddle diddle, the cat and the fiddle,
The cow jumped over the moon;
The little dog laughed to see such fun
And the dish ran away with the spoon.

Wee Willie Winkie

Wee Willie Winkie runs through the town,
Upstairs and downstairs in his night gown;
Knocking on the windows, crying through the locks,
"Are all the children in their beds?
It's past 8 o'clock!"

Star light

Star light, star bright,
First star I see tonight.
I wish I may, I wish I might
Have the wish I wish tonight.

The Sun and the Moon

(tune: The Farmer wants a wife)

The sun is in the sky,
The sun is in the sky;
Hot and bright- it gives us light,
The sun is in the sky.

The moon is in the sky,
The moon is in the sky;
Around and round the Earth it goes,
The moon is in the sky.

Firefighter Songs

I am a Fireman

(tune: I'm a Little Teapot)

I am a fireman, dressed in red,
With my fire hat on my head;
I can drive the fire engine, fight fires too,
And help to make things safe for you.

The Wheels on the Fire Engine

(tune: The Wheels on the Bus)

The wheels on the engine go round and round...
The seat belts on the engine go click click click...
The siren on the engine goes nee na nee na nee na...
The ladder on the engine goes higher, higher, higher...

The Firefighter

This firefighter rings the bell (thumb)
This firefighter holds the hose so well (index)
This firefighter slides down the pole (middle)
This firefighter chops a hole (ring)
This firefighter climbs higher and higher (pinky)
And all the firefighters put out the fire.

Matches

(tune: Frere Jacques)

Never play with matches (x2)
If you do (x2)
You will burn your fingers (x2)
That won't do (x2).
