## March 2024

Dear Parents,

Believe it or not, March means the beginning of Spring! As the crocuses and daffodils push their way through the hard ground, we change our Nursery colours to green and yellow. At the start of the month, we will be thinking about new growth in nature as well as animals and their babies. Later in the month our thoughts will turn to the topic of Easter.

A big thank you to Bonnie and Rory's mums who came to Nursery to talk about caring for people who are sick. Also, thanks to Olivia's mum for bringing in baby chicks. The children really enjoyed these sessions.

Also thank you to Sarah Gage who has been leading the children in exercise classes. We are getting much fitter as a result!

**Please note the following dates for your diary:**

**Friday 1<sup>st</sup> March:** Playball continues. Please ensure children wear trainers every Friday

**Wednesday 6<sup>th</sup> March:** Exercise fun with Sarah

**Thursday 7<sup>th</sup> March:** World Book Day. Your child can dress up as they wish.

Easter holidays start on Monday 25<sup>th</sup> March and end on Friday 5<sup>th</sup> April.

After the Easter holidays we will be going on a trip out to Rosepark Farm on Thursday 11<sup>th</sup> April. More details on this will follow later.

We will continue to send the book and fine-motor packs home each Monday and have News Time on Wednesdays. We hope you are enjoying the books and the activities. The fine-motor boxes are simple activities, aimed at showing you how you can use everyday objects to develop your child's fine-motor skills.

Please speak to Nursery staff if you have any questions about the above.

Thank you for your continuing support.
