

## Down to the Pond

Down to the pond the ducks all go;  
Waddle, waddle, waddle, oh so slow!

Down to the pond, What fun! What fun!  
Faster, faster, faster, faster,  
Run, run, run!

(Actions: verse 1: child squats, places hand on hips and waddles slowly. Recite the verse slowly. Verse 2: say the verse faster and "duck" waddles faster and faster.)

## March Wind

The wind is blowing softly, *blow softly*  
March is a windy time!  
The wind is blowing softly, *blow quietly*  
The trees are keeping time. *sway arms*  
The wind is blowing harder, *blow harder*  
The trees are bending down, *bend down*  
And now my hat has blown away- *put hands to head*  
I'll chase it through the town. *run around the room*

## Spring

(Tune: Frere Jacques)

I see rainclouds,  
I see birds' nests,  
Flowers too, butterflies too!  
Everything is growing,  
The wind is gently blowing;  
Spring is here!  
Spring is here!

## Little Bo-Peep

Little Bo-peep has lost her sheep  
And doesn't know where to find  
them;  
Leave them alone and they'll come  
home,  
Wagging their tails behind them .
