

Clough Nursery Unit

November 2021

Dear Parent,

Welcome back to the second half of our Autumn term. The children are well settled into Nursery now and we look forward to doing new, enjoyable activities with your child.

As the threat of Covid continues, we will continue our routine of hand-sanitizing when entering Nursery and washing hands often during Nursery. Please continue to wear a face mask when coming to and leaving Nursery. As this term is infamous for the spread of the cold and flu, please remember that children must stay at home 48 hours after being sick or having diarrhoea. If your child has a cold, even when it is not COVID, we would appreciate it if they could also stay at home until the cold symptoms have eased. Thank you for your co-operation with these measures.

Since we are starting back to Nursery on 1st November, our theme for the week will be **Fire**. The following week we will think about **A Walk in the Wood**. As we move further into the Autumn season with shorter daylight hours and longer nights, we will take up the new theme of **Day and Night**. Our new colours are black and white and our shape is the Triangle.

Here is a list of our special events in Nursery in November:

- *Tuesdays 2nd, 9th, 16th, 23rd and 30th*: more visits from **Jo Jingles** for fun with music and movement.
- *Thursday 18th*: visit from **Mike from World of Owls**, who will show us his range of interesting animals.

Thanks again to those of you who returned the GRTL forms. They are
vrery grateful for you taking the time to fill in and return the forms.
We will be sending the Book and Fine-Motor packs home after
Christmas.

Please feel free to talk to the Nursery staff if you have any questions
about the above.

Thanking you,

J. Scott
