

Firefighter Songs

I am a Fireman

(tune: I'm a Little Teapot)

I am a fireman, dressed in red,
With my fire hat on my head;
I can drive the fire engine, fight fires too,
And help to make things safe for you.

The Wheels on the Fire Engine

(tune: The Wheels on the Bus)

The wheels on the engine go round and round...

The seat belts on the engine go click click click...

The siren on the engine goes nee na nee na nee na...

The ladder on the engine goes higher, higher, higher...

The Firefighter

This firefighter rings the bell (thumb)
This firefighter holds the hose so well (index)
This firefighter slides down the pole (middle)
This firefighter chops a hole (ring)
This firefighter climbs higher and higher (pinky)
And all the firefighters put out the fire.
