

## Re-cycling Songs

### Save

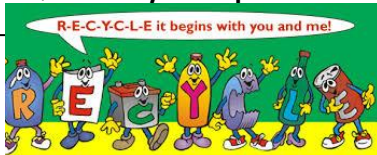

(Row, row, row your boat)

Save, save, save your papers  
Throw them in the bin;  
We can help to save the earth  
If we all pitch in.

Save, save, save your bottles...

Save, save, save your cans...

Save, save, save your plastics...

### This Old Earth

(This Old Man)

This old earth needs our help  
To stay fresh and clean and green;  
With a pick it up and throw it in the  
bin,  
This old earth needs a helping hand.

### We Re-cycle

(Frere Jacques)

We re-cycle, we re-cycle,  
Yes we do! Yes we do!  
Caring for our planet,  
Caring for our planet;  
You should too;  
You should too!

### Re-cycle

(Twinkle, Twinkle)

We re-cycle what we use,  
Lots of things and you should too!  
Glass and paper, plastic, tin,  
Go in your re-cycling bin;  
We must start now-we can't wait.  
Quick or it will be too late!

### If You Love our World

(If you're Happy and You Know It)

If you love our world, clap your hands,  
If you love our world, clap your hands;  
If you love our world, our great big world;  
If you love our world, clap your hands.

If you love our world, plant new trees...  
If you love our world, re-cycle...  
If you love our world, do your part...
